

SEPAexpress offers a fast and versatile payment solution for the SEPA area including Great Britain. It supports SEPA Direct Debit as well as Credit Transfers. Since BACS is an available payment option too, SEPAexpress is fully Brexit Proof!

Additionally, SEPAexpress processes Direct Debits faster, more cost-effective and with less risk of chargebacks and payment loss than other solutions. Sponsored bank accounts are included, so merchants do not need to set up dedicated bank accounts.
