

## Prepaid

With the AstroPay Card, you have a popular solution for Latin America, from Argentina to Uruguay. The AstroPay Card is a virtual prepaid card which can be used in a large number of online shops around the world. Your customers can conveniently select their bank and local currency during check-out and then

complete the ordering process via online banking. You benefit from a payment guarantee in the process, meaning you can be absolutely certain that you will receive your money, and that there is no risk of non-payment or chargebacks.
