

Online Bank Transfer

Computop provides more than 150 payment methods including Przelewy24, the most widespread online transfer system in Poland, enabling you to reach 95% of bank account holders on the growing Polish market. Using Przelewy24 is simple, since the process

used is the same as the PIN/TAN system used in bank transfers. The retailer is informed of a payment being made immediately upon completion of the transaction, making Przelewy24 ideal for a swift shipping process.
