

Voucher

Computop Paygate supports more than 150 payment methods, including e-chèque-vacances. These vouchers are extremely popular in France and enable retailers to increase their turnover and conversion rates in the travel and leisure sectors. Each year,

vouchers worth approx. €1.5 billion are given out by companies to their employees. These can be redeemed online with e-chèque-vacances. They can be used cumulatively and combined with other card payment methods.
