

Online Bank Transfer

Computop provides more than 150 payment methods including AstroPay Direct, which enables payment by bank transfer in real time in Latin America, opening up markets in Argentina, Brazil, Chile, Mexico, Peru and Uruguay. Your customers can select their bank and local currency during check-out and complete the ordering process via online banking. They then

receive confirmation of payment immediately after completing the ordering process. When making payments via AstroPay, you benefit from a payment guarantee, meaning you can be absolutely certain that you will receive your money, and that there is no risk of non-payment or chargebacks.
