

Online Bank Transfer

Computop provides more than 150 payment methods including PostFinance. Offered by the Swiss Postal Service, the name PostFinance is associated with sound financial management, and is one of the most popular payment systems in Switzerland. The e-finance service allows customers access to their

accounts online, or by mobile phone via the service's app, regardless of the time or their location. Around 1.6 million Swiss people used this service in 2015, holding nearly 5 million accounts, but there is still enormous potential for growth.
