Computop provides more than 300 payment methods including amazon pay. Roughly 300 million customer accounts and more than US\$100 billion in revenue (2015) make Amazon the world's biggest online retailer. By integrating 'Login and Pay with Amazon', other retailers can also benefit from this customer base. With one click of the Amazon button in the shopping basket, the buyer logs into their Amazon account, proves their identity, and completes the payment with the underlying payment solution. The retailer receives a confirmation of payment immediately and can arrange delivery to the address stored with Amazon.

AMAZON PAY VIA COMPUTOP:

- Standardised settlement via Computop Settlement File CTSF
- Detailed reporting via Computop Smart Data
- Payment guarantee
